

# 8 Accessory Collection

## The Accessory

Beauty and function, present in every detail.

What completes a space is the texture of the tools held in the hand.

From the grip of a jump rope to the curve of a foam roller, every accessory reflects the brand's philosophy. Selected natural wood, fine leather, and precision metal parts.

These are not merely supporting tools, but products of exceptional finish.

Attention to detail brings harmony to the training environment and transforms everyday movement into a richer experience.
