Handcrafted from the finest natural wood and stainless steel, this dumbbell set combines exceptional quality with refined design. Its stable construction and elegant presence go beyond conventional training equipment, bringing quiet distinction to modern residences and hotel gyms.

The oiled wood offers a secure grip and a soft, natural warmth to the touch. Its inherent antibacterial qualities are beautifully balanced by the clean precision of stainless steel, creating a product that is as hygienic as it is sophisticated.

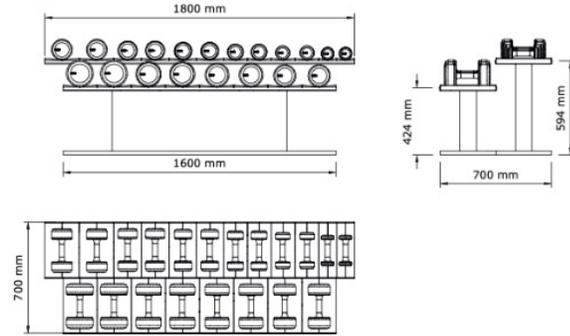

Available in horizontal and vertical sets, as well as in paired pieces with or without a wooden stand, the collection is equally suited to private interiors, personal training studios, and premium gym spaces.

Crafted from the finest natural wood and stainless steel, LOVA™ is a kettlebell set shaped by skilled hands and a deep commitment to craftsmanship. Thoughtfully designed over many hours, it balances sculptural beauty with everyday function. The poised stability of the stand and the distinctive form of the kettlebells bring a refined presence and quiet prestige to any space.

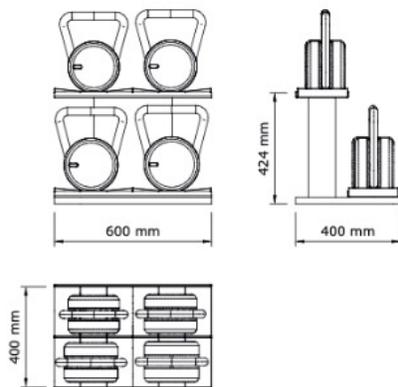

The oiled wood offers a secure grip and a naturally pleasing touch. Its inherent antibacterial qualities are elegantly balanced by the clean precision of stainless steel, creating a product that is as hygienic as it is sophisticated.

Available in horizontal and vertical sets, as well as in individual pieces with or without a wooden stand, the collection is suited not only to private interiors, but also to environments where refinement and performance are equally valued, from personal training studios to premium gym spaces.

  - 12kgx2

# LESNA™ BYSTRA™

Crafted by skilled hands from carefully selected premium materials, this barbell set embodies quiet refinement. The clean, minimal form of the stand is beautifully balanced by the accompanying weights, creating a composed and sophisticated presence that resonates naturally with the wider PENT. collection.

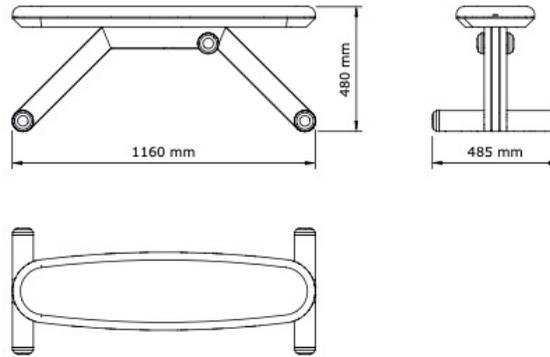

Chosen with care at every stage and finished with close attention to detail, each element reflects the beauty of true craftsmanship. Shaped over many hours of handwork, the set reveals a remarkable level of finish and a distinct sense of character at first glance.

Equally suited to private residences and hotel gyms, it brings a refined presence to any setting.

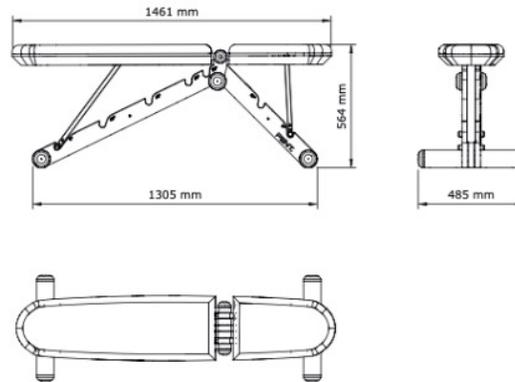

**BANKA™**  
**Basic**  
Bench

This exercise bench, characterized by its stability and simple form, stands out for its quality and craftsmanship.

**BANKA™**  
**Advance**  
Adjustable Bench

This 5-position adjustable bench is carefully designed to provide a comfortable user experience tailored to your body type and weight load needs.

# BANKA™

Crafted by hand from natural wood, stainless steel, and the finest leather, this exercise bench expresses quiet luxury through exceptional materials and careful workmanship. Thoughtfully refined in every detail, its simple form carries both beauty and distinction.

Functional yet visually composed, it brings a sophisticated presence to the space, making it equally suited to private residences and hotel gyms.

# WALL BARS

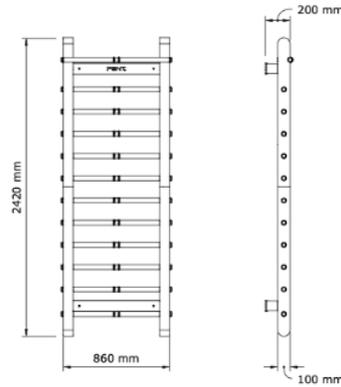

# SCALA™

## SCALA™ Basic

This versatile and space-saving solution harmonizes with diverse fitness environments.

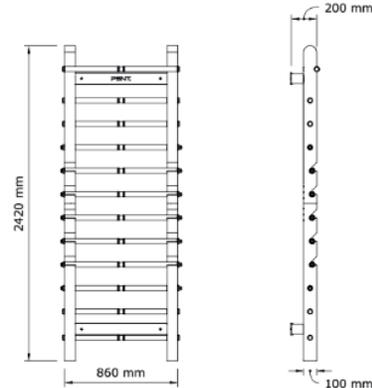

Height: 243cm

## SCALA™ Advance

It features a removable crossbar with a weight attached.

Height: 243cm

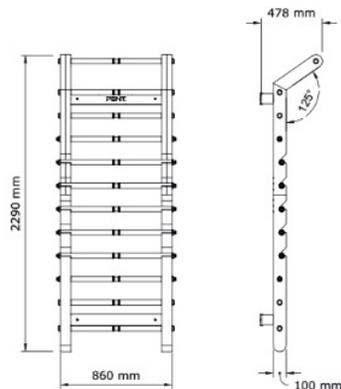

## SCALA™ Advance Plus

It features a removable horizontal bar with weights.

Includes a pull-up function.

Height: 229cm

Incorporating PENT's distinctive ladder pattern, this wall bar combines functional versatility with sculptural beauty. Its removable weighted rungs, available from 2 kg to 6 kg, allow for training tailored to a range of needs.

Flexible bands can be easily attached to the ladder and bars, supporting a wide variety of exercises. Optional TRX bands can also be added, further expanding its training possibilities.

# BOXING EQUIPMENT

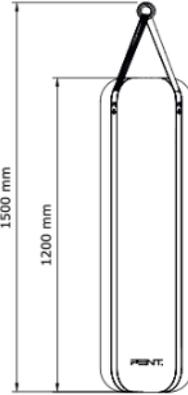

# RAXA™

# CARDIO MACHINES

**VISLA™**  
Hydraulic rowing machine

Its innovative design allows you to train multiple muscle groups simultaneously.

**IRENA™**  
Manual Treadmill

The curved running surface not only gives an elegant impression but also provides a dynamic and rewarding training experience. This innovative design activates more muscle groups and enhances the effects of aerobic exercise.

**HANIA™**  
Manual Exercise Bike

A masterpiece combining exceptional craftsmanship and design. Perfect for those seeking the best fitness equipment.

# VISLA™ IRENA™ HANIA™

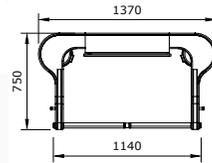

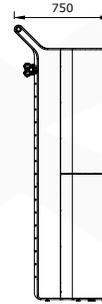

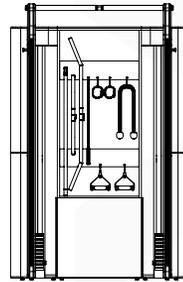

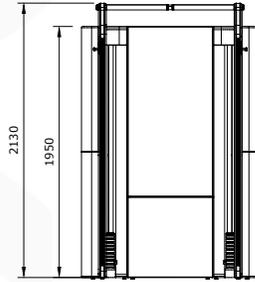

## ROMA™ Cable Strength Machine

Achieve comprehensive strength training with a single device.

Despite its compact form factor, ROMA™ enables biomechanically-based training, allowing for classic cable exercises, functional training, and isolation movements across various planes.

# ROMA™ Cable Strength Machine

ROMA™ is a premium cable strength machine, handcrafted from brushed stainless steel and natural wood, uniting sculptural form with exceptional performance.

More than a fitness machine, it is conceived as an art piece — designed to sit effortlessly within carefully considered spaces, from private villas and penthouses to five-star hotels and personal wellness studios.

It enables smooth, versatile resistance training across a full range of exercises, supporting every major muscle group. Compact yet powerful, it brings together contemporary biomechanics and timeless design in a single, beautifully resolved form.

For personal trainers, gym owners, architects, and individuals seeking the ultimate training tool, ROMA™ sets a new standard for the cable machine.

# BOXING EQUIPMENT

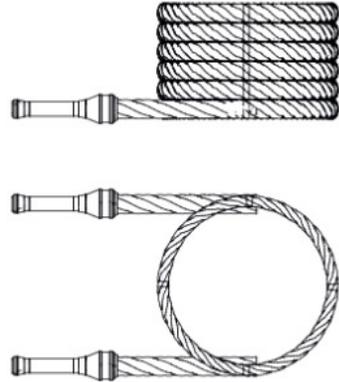

# LINA™

## LINA™

Battle Ropes  
No Stand Required

# PASA™ GUMA™ MESNA™ Set

### ROLA™ Soft Roller

A high-quality soft roller covered in genuine leather. It can be used for myofascial release, relieving pain by applying pressure to specific areas of the body.

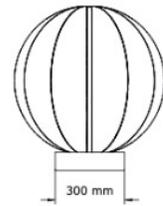

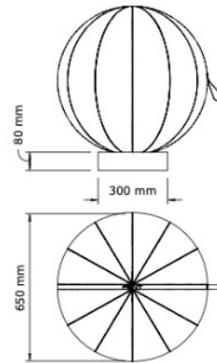

Length: 45cm  
Diameter: 15cm

### TRESNA™

This genuine leather-covered balance trainer is the perfect tool for training that combines balance and strength training.

Base diameter: 65cm  
Height: 35cm

# ROLA™ TRESNA™

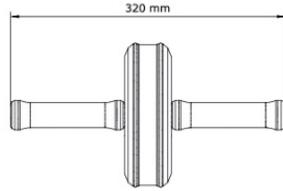

# KALNA™ TWISTA™

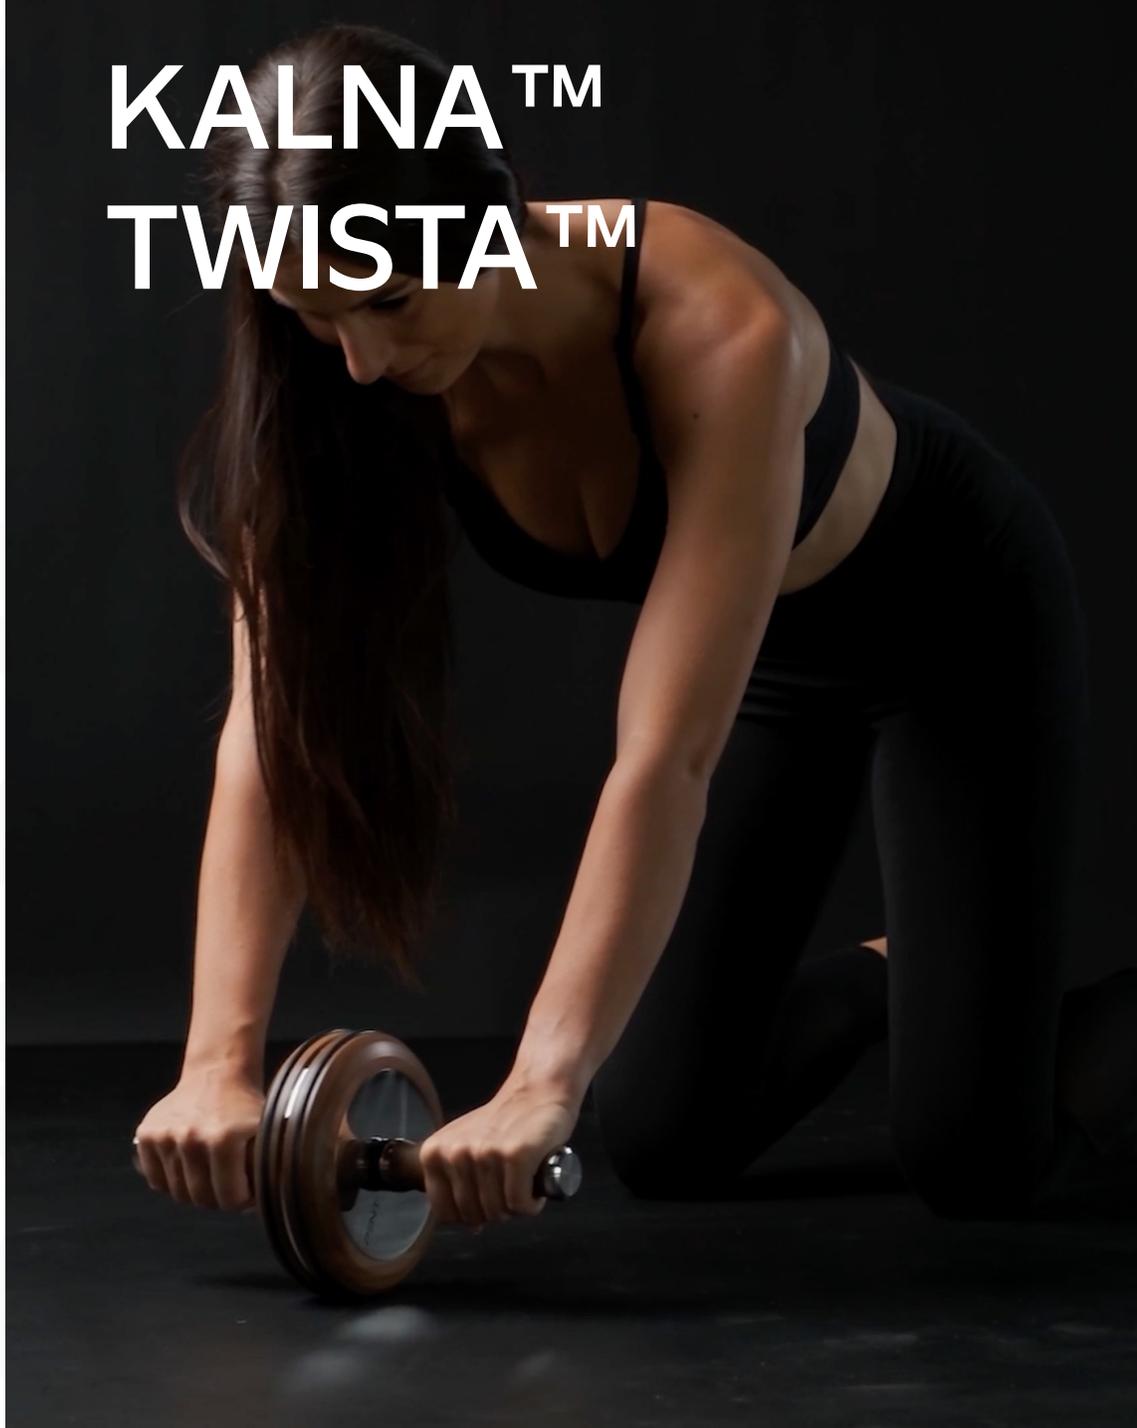

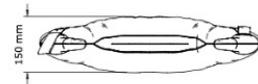

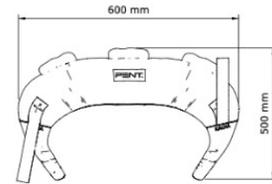

## TWISTA™ Abdominal Roller

This is an excellent tool for strengthening your core. It's a hard, high-intensity exercise, but once you get the hang of it, you can thoroughly train the deep abdominal muscles.

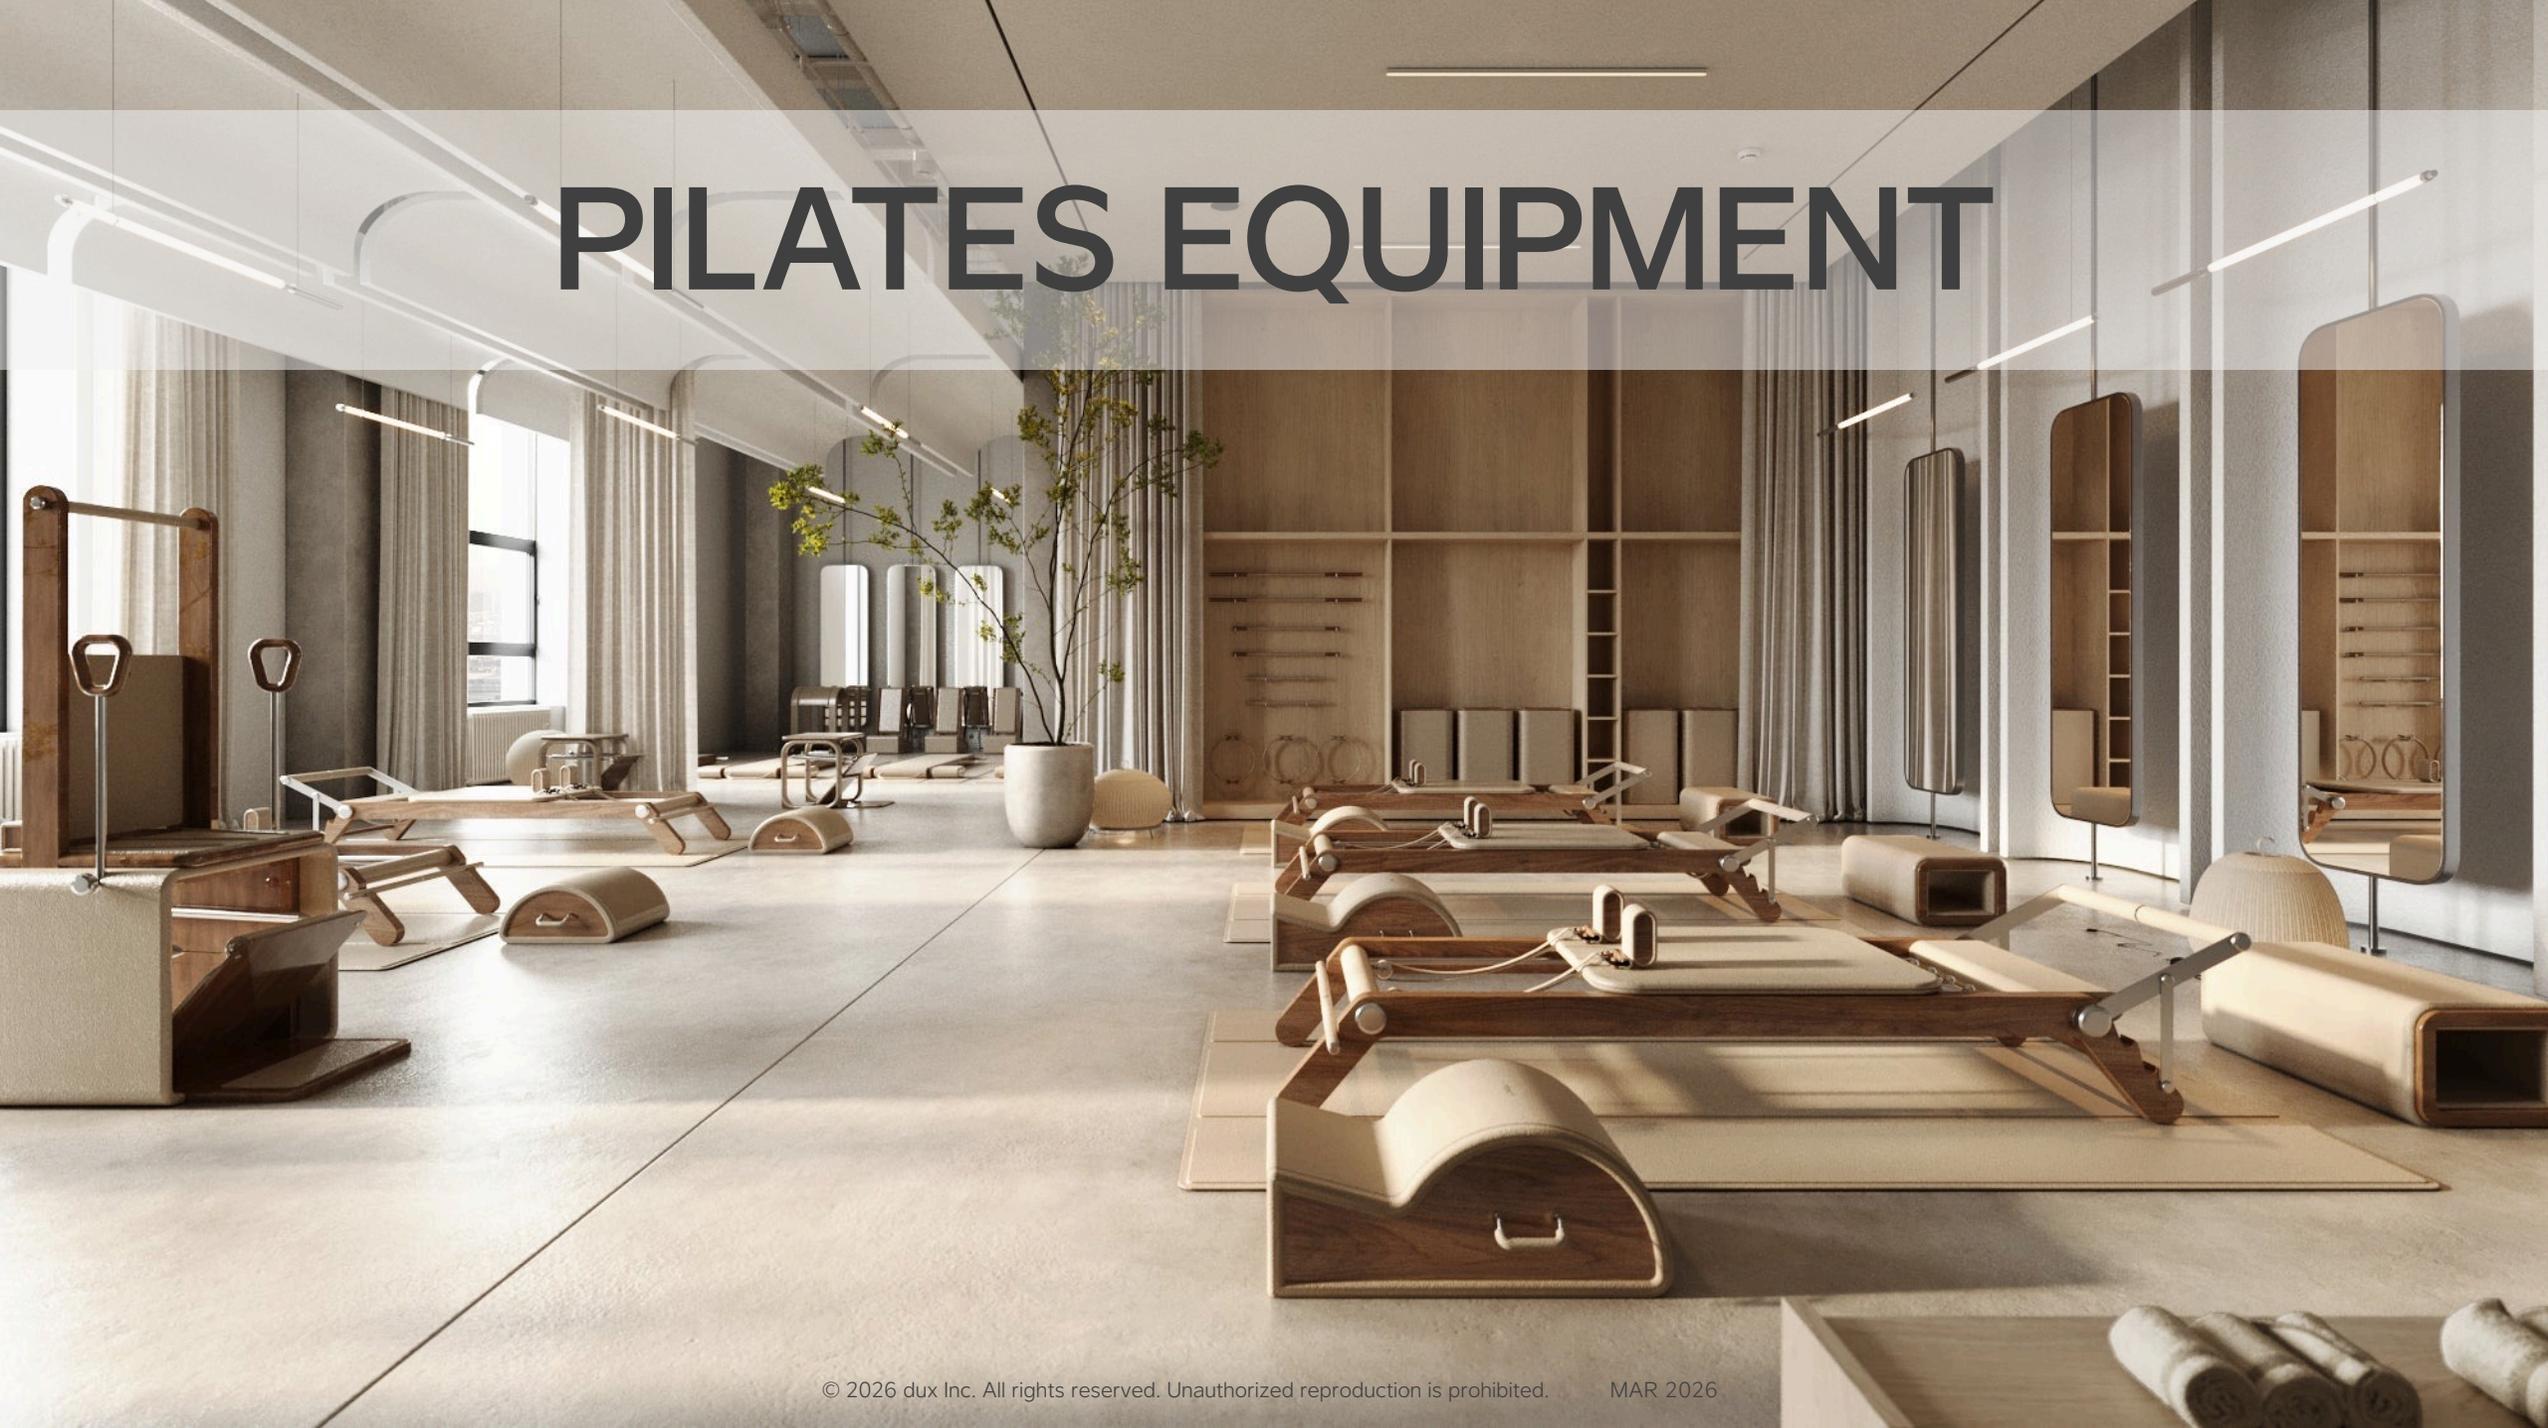

## KALNA™ Bulgarian Bag

Made from high-quality genuine leather with a flexible handle, this bag allows for training both the upper and lower body. It features leather straps and is filled with sand to help improve explosive movements and dynamic actions.

# PILATES EQUIPMENT

**PENT PX 10**  
The Wanda Chair

With its classic design and size, this chair offers the widest range of load adjustment available for a single-pedal chair, making it truly unique.

**PENT PX 30**  
Barrel

This exercise equipment improves body flexibility and mobility, and strengthens muscles.

**PENT PX 15**  
High Chair

This chair offers a higher level of difficulty than the standard Wanda Chair and provides more exercise options.

**PENT PX 35**  
Spine Corrector

A classic barrel-shaped training device that provides precise support and comfort during exercise. Its unique shape perfectly supports the torso, arms, back, and legs.

**PENT PX 20**  
Baby Chair

With a base that allows for sitting or kneeling, and armrests equipped with two springs that connect to a reclining backrest, this chair enables more exercise in a variety of postures and movements.

**PENT PX 40**  
Spine Corrector Extended

This versatile tool helps correct and restore the natural alignment of the spine, in addition to providing exercises aimed at strengthening and improving the core, shoulders, back, and legs.

### PENT PX 50

Reformer

Multiple springs at the bottom of the carriage create resistance, training your sense of balance and enhancing your awareness of your mind and body.

### PENT PX 75

Ring

A lightweight, compact, and easy-to-carry resistance ring for Pilates. Ideal for home use as well as studio training.

### PENT PX 55

Mat Exercises

These exercises are effective for strengthening muscles and improving flexibility, as they focus on strengthening the core while simultaneously working the arms and legs.

### PENT PX 80

Reformer Box PX for 50 Reformers

This excellent accessory greatly expands the possibilities of training when combined with reformers and mats.

### PENT PX 70

Barbell

It strengthens various muscle groups, improving strength and flexibility while promoting controlled movement.
